Dive Around the Clock at NW Dive & Travel Expo

Dive Around the Clock was pleased to be represented at The Northwest Dive and Travel Expo on May 22 -23. The annual event focused on everything underwater from showing people how fun it is to breathe underwater, to seminars to fantastic travel around the world and right at home.

Traffic to the DATC booth was amazing. Hundreds of NW divers stopped by to

inquire about the event or to register for this years event.

Special thanks to Rick Stratton of NW Dive News, the sponsoring organization of the Expo.

Diving in Memory of... Post Your Stories at DATC

DATC benefits childhood cancer research but we all have been touched by cancer in our lives.

New at this year's event will be a "Diving in Memory of" board. On the board, divers can post photos can post stories and photos about a loved one, friend or personal battle with cancer. Share your stories to tell us why you participate in DATC.

Here is a personal recollection from DATC participant Georgia Arrow:

"When I was very young, I taught a Sunday School Class. One of my kids was this adorable little guy named Jonathan. He was suffering from and subsequently died at the age of four from Leukemia. These days, because of the research that has been done, most kids survive childhood Leukemia. Any money we can raise for children's cancer research or for a children's

hospital is great.

I was very proud to be part of the event last year and am looking forward to diving and helping with it this year. "

Please bring your photos and posts to the event.
